

## NIAGARA LUTHERAN HEALTH SYSTEM

5959 Broadway, Lancaster, NY 14086

### Medical Paperwork Checklist

Once these items are received by Mary Dumke, you will be contacted to schedule Physical Day:

1. Copy of recent physical from a Doctor (1 year or less) and authorization from them to perform volunteer duties. It must state "ok to volunteer without restrictions," which can be on a separate form.
2. Proof of COVID-19 vaccination(s).
3. Proof of MMR immunizations (either proof of 2 immunizations or proof of titre). If born before 1957, only 1 is needed.
4. Proof of a flu shot or the shot will be provided during Physical Day (next step). If a flu shot is refused, the Volunteer must sign the GHRC Vaccination Evaluation and Consent/Declination form and wear a protective mask (during designated flu season per the CDC) upon entering and during the entire visit to GHRC.
5. PPD:
  - a. If they recently had a PPD, they can provide proof and that will count as step 1 for the two-step process
  - b. If they have previously experienced a positive PPD – they must provide their chest x-rays, given within the last 5 years
  - c. They may also opt to get a blood test from their Doctor if they don't want the test/shot, and then provide that proof

**OR**

  - d. The PPD series will be administered by The GreenFields.

**Dress Code - Please do not wear/use these items** while volunteering:

Sweatshirts or t-shirts  
Mini-skirts, shorts  
Clothing with objectionable slogans  
Hoop or dangling earrings  
Personal cell phone or pager

Visible undergarments  
Jeans and clothing of denim material  
Excessive hair ornaments  
Hand-held electronic devices (iPODS, MP3 player)

**Any questions?**
